Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
1. Running a pre-prep playgroup program for 2 x 2 hours per week across terms 1 to 3.
2. In term 4, offering pre-prep students entering school in 2015 to participate in the morning literacy sessions to familiarize them with school expectations and processes.
3. Providing take home resources for all students to use with parents/caregivers.
4. Implementing a daily reading at home program for all students.
